Role

This is a fantastic opportunity for a creative individual to gain practical experience creating e-learning content for this innovative company that uses artificial intelligence to ensure students achieve top marks in their exams, by identifying and improving gaps in their knowledge and producing tailor made learning content. You will assist in the production of educational videos, developing and refining of quizzes to ensure high quality course delivery and exam success across a range of subjects. This is an ideal role for somebody with a creative flair and an interest in education to not only enhance their CV but also make a real difference to young people's lives.

Tasks

- Creation of relevant e-learning content for a range of subjects
- Assisting in video editing and production
- Working with teachers, tutors and professional production teams to bring content to life
- Ensuring online material is delivered in a clear, concise way for full understanding
- Ensure quality and accuracy of subject quizzes and content

Desired Skills

- Strong academic track record in Maths and Psychology
- Good standard of written English
- Strong interest in education
- Creative, with a flair for design and presentation
- Excellent communication skills
- Driven, ambitious and hungry to learn
- Proficient with Microsoft Office; Excel, PowerPoint, Word
- Familiar with the Adobe software such as InDesign or Illustrator would be a bonus

The Host Company

This rapidly expanding host is fast becoming the number one e-learning platform for UK students at Advanced level with 100% of economics students in the last year achieving results of A or A*. Transforming the results of students who may have previously under achieved, their innovative accelerated learning program is helping over 63,000 young people to gain top marks in exams. Now expanding their course portfolio, they are seeking passionate individuals to work in their super cool London office. With regular team activities such as karting and skiing and the possibility of a permanent contract if at the end of your studies, then this is an exciting opportunity not to be missed.
