Important Note:
If you are attending at Belas Artes subjects that weren't included in the approved original Learning Agreement (before the mobility) you need to request a change to your Learning Agreement (during the mobility) in order for the subjects listed in that document to match the subjects you are enrolled at Belas Artes.
You must fill in the changes to the Learning Agreement using the mandatory template available below.
You must fill in:
- TABLE A2: Exceptional changes to Table A:
• Write down the subjects you won't do - do a X in DELETE;
• Write down the subjects you are attending this semester - do a X in ADD column;
• The subjects you didn't change, so the ones you will keep it, you do not need to repeat it in that table.
Please be advised that you must nominate the subjects with their official name in english. You can check the names of the subjects you are enrolled in, at Fenix's home page, using the EN (English version) available at the top right corner of the Fenix platform.
- TABLE B2: Exceptional changes to Table B (if applicable):
• Check if there is something to change in table b2 -> subjects in your home university. This confirmation is managed by your home university's office.

After you complete the document using the mandatory template available below, print it, sign it and upload it below in pdf format.
In the end, you must click in the "Request Changes to Learning Agreement" button in the top of this form.
After the evaluation of the document by the Academic and Mobility Office, you will receive an e-mail for downloading the Learning Agreement signed by our ERASMUS Coordination. Afterwards, you must present at your home institution the Learning Agreement for signature by your Coordination.
